THE STUDIO@META4

“All children are artists. The problem is how to remain an artist once he grows up.”

— Pablo Picasso

Remember what it was like to **play**, to experiment, to let your *imagination* wind down a path towards an unknown destination, then step back to discover you'd created something **wonderful?**

Do you have a box of paints sitting at home that you haven't touched in years?

It's time to let your inner artist out to play in one of META4 Gallery's high quality art courses! We offer a variety of learning experiences, from beginner to intermediate and advanced, in drawing, painting, creative writing, fibre arts, jewellery, glass and metal working and more.

Do you like to build things? Do you love colour and texture? Enrich your life and boost your creativity this year. **It's easier than you think.**

Come reclaim your artistic inheritance... for a weekend, a morning, an afternoon, for a lifetime.

"Standing still is the fastest way of moving backwards in a rapidly changing world. Imagination is the highest kite one can fly"

-- Lauren Bacall.

Here's what META4 students are saying:

"Of all the art organizations in Durham, META4 has the most interesting and well-scheduled learning opportunities. But most importantly, the quality of the teaching, the friendly, welcoming atmosphere and the enthusiasm and encouragement shown by the gallery staff and teacher made my classes at META4 the most fun, and most satisfying and valuable to my development as an artist I have experienced anywhere."

— Wenda A.

"The two-day course was the perfect mix of instruction and hands-on learning. I was 'wowed' by what I was able to accomplish in two days and even more inspired by what fellow students were doing. I am extremely happy that I signed up, not only has it rekindled my passion for art, but it has given me ability to share something new with my children."

— Susan T.

CONTEMPORARY CRAFT

"It looks like it would be really hard but it's actually really easy and fun and the necklace looks awesome when you're done."

— Marisa M
